# HTML Homework

- A page headline that reads “Top five news headlines of the week”
- A numbered (ordered) list of headlines that you think are the 5 most important recent news stories followed by a dash and the name of the publication.
- ONE image related to one of these news stories should appear right below the headline.
- The image needs no caption for now, but should be readable for accessibility.
- Provide a link to each article but ONLY hyperlink the publication name.
- Should look like:
